Hi Everyone,

Series 2009 will soon be underway and we're on the lookout for sponsors to enable us to further promote and develop our series.

As you can see from the attached program there will be five rounds in South Australia, exposing your business to much publicity. For each Round we produce 50 race day programs and over 500 posters are printed advertising of all these rounds.

The Sponsorship levels are as follows:

Bronze Sponsor - \$100

- Business card sized advert in each round program (5 rounds)
- Business card sized advert on the 500 race-day posters

Silver Sponsor - \$200

- 1/2 page advert in each Round's program (5 rounds)
- Business card size advert on the 500 race-day posters

Gold Sponsor - \$300

- Full page advert in each Round's program.
- Business card size advert on the 500 race-day posters
- Sponsorship one class for the season including name on all trophies for that class.

Series Sponsor

- The State Championship Series sponsor gives you the opportunity to have naming rights of the series, ASA Web site advertising, front page and prominent advertising throughout all race programs and poster header advertising.

All series sponsorship monies will be used in a prizemoney pool, to be paid out on overall placings in the series.

National Sponsor

- The National Sponsor will provide the opportunity to have naming rights of the Australian Sidecarcross Championships, ASA Web site advertising, front page and prominent advertising throughout all Australian Title race programs and poster header advertising.

Both the Series and National Sponsorships sponsorship packages are negotiable and should you wish to discuss any of these options or if you have a preference or class you would like to sponsor, then feel free to contact us.

For more information,
